Allegretto

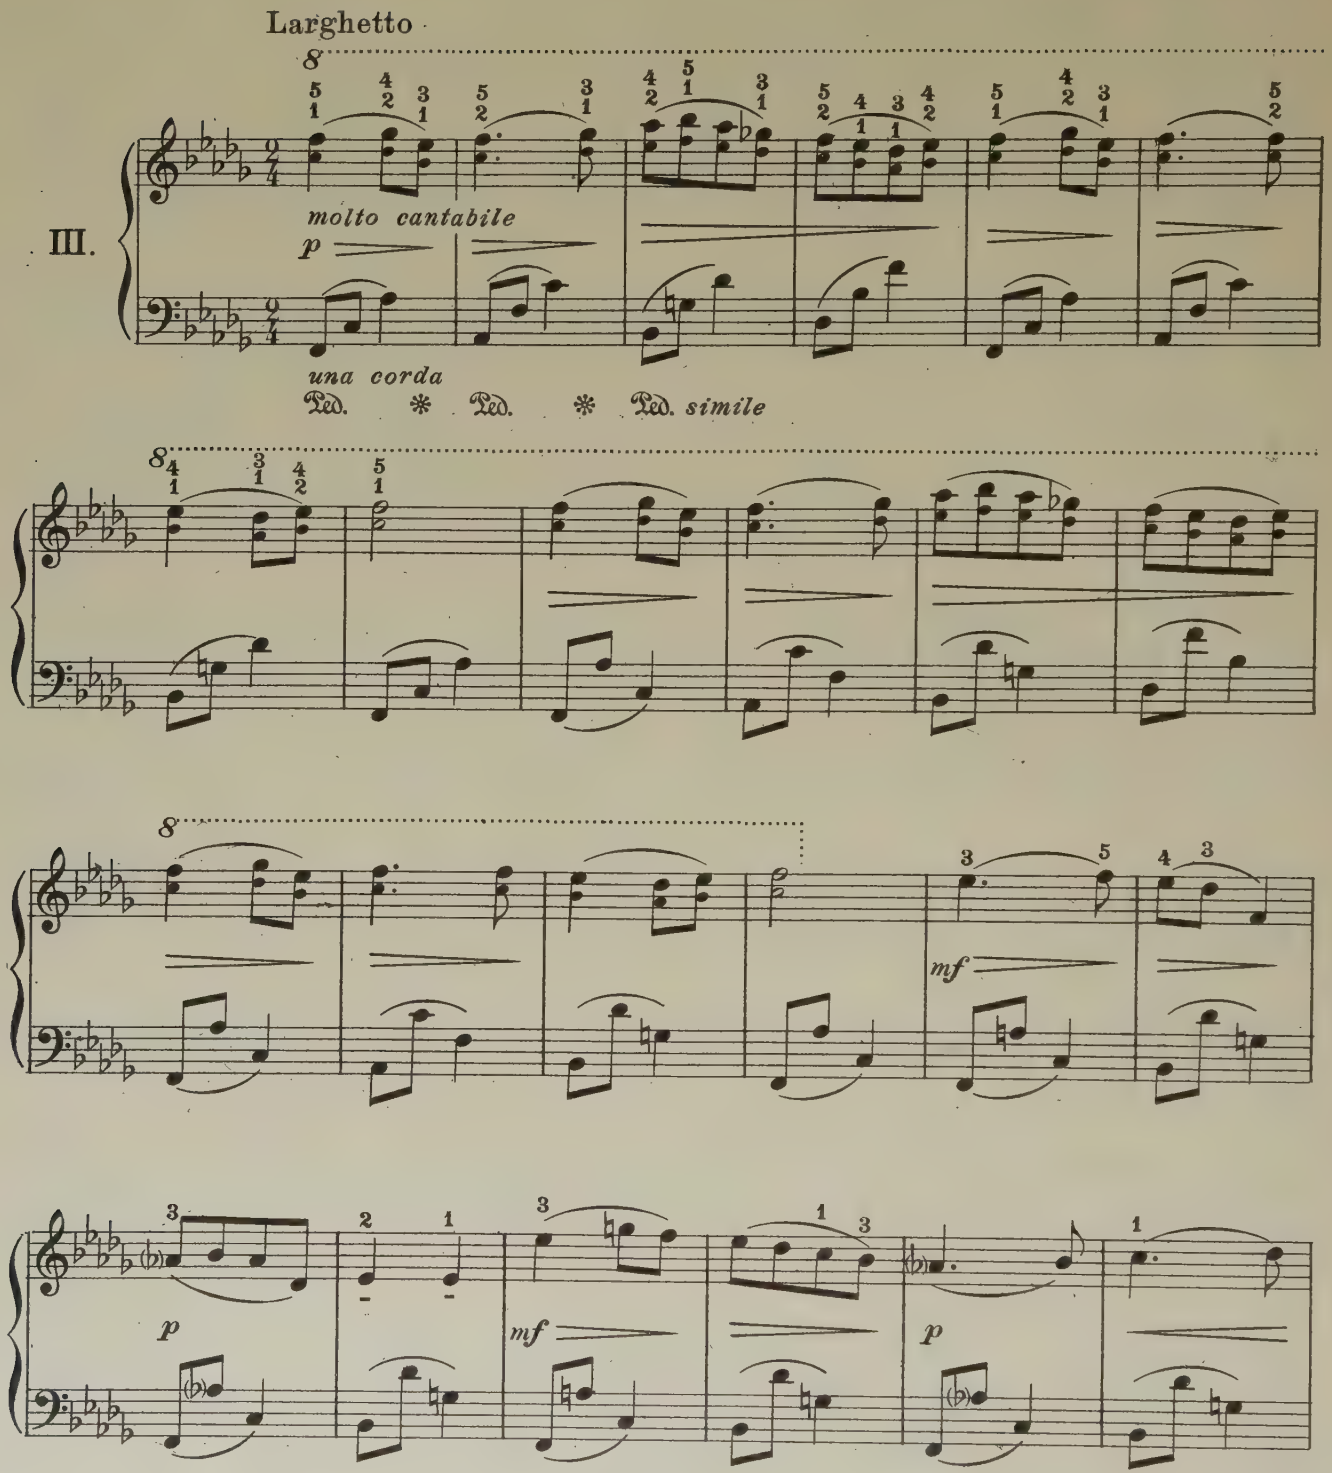
VISION DU MONDE ANTIQUE

PICTURE OF AN ANCIENT WORLD



An evening in Hellas. A Grecian priest offers a sacrifice to the Goddess. Two maidens play the flute, a third accompanies them on the lyre. Beyond the cypress branches an unbroken expanse of blue sea.

3_1105_6

The lower note in the right hand is made smaller to indicate that it is to be struck with less force than the upper. The composer requests that the interpretation be made to suggest a sentiment of sweet sadness.
